§ 407.1 Applicability.

The provisions of this part are applicable only to those crops and crop years for which a Crop Provision is contained in this part.

§ 407.2 Availability of Federal crop insurance.

(a) Insurance shall be offered under the provisions of this part on the insured crop in counties within the limits prescribed by and in accordance with the provisions of the Federal Crop Insurance Act, (7 U.S.C. 1501 et seq.) (the Act). The crops and counties shall be designated by the Manager of the Federal Crop Insurance Corporation (FCIC) from those approved by the Board of Directors of FCIC.

(b) The insurance will be offered through companies reinsured by FCIC under the same terms and conditions as the contract contained in this part. These contracts are clearly identified as being reinsured by FCIC. Additionally, the contract contained in this part may be offered directly to producers through agents of the United States Department of Agriculture. Those contracts are specifically identified as being offered by FCIC.

(c) No person may have in force more than one insurance policy issued or reinsured by FCIC on the same crop for the same crop year, in the same county, unless specifically approved in writing by FCIC.

(d) Except as specified in paragraph (c) of this section, if a person has more than one contract authorized under the Act that provides coverage for the same loss on the same crop for the same crop year in the same county, all such contracts shall be voided for that

crop year and the person will be liable for the premium on all contracts, unless the person can show to the satisfaction of the Corporation that the multiple contracts of insurance were without the fault of the person.

(1) If the multiple contracts of insurance are shown to be without the fault of the person and:

(i) One contract is an additional coverage policy and the other contract is a Catastrophic Risk Protection policy, the additional coverage policy will apply if both policies are with the same insurance provider, or if not, both insurance providers agree, and the Catastrophic Risk Protection policy will be canceled (If the insurance providers do not agree, the policy with the earliest date of application will be in force and the other contract will be canceled); or

(ii) Both contracts are additional coverage policies or both are Catastrophic Risk Protection policies, the contract with the earliest signature date on the application will be valid and the other contract on that crop in the county for that crop year will be canceled, unless both policies are with the same insurance provider and the insurance provider agrees otherwise or both policies are with different insurance providers and both insurance providers agree otherwise.

(2) No liability for indemnity or premium will attach to the contracts canceled as specified in paragraphs (d)(1)(i) and (ii) of this section.

(e) The person must repay all amounts received in violation of this section with interest at the rate contained in the contract (see § 407.9, section 15).

(f) A person whose contract with FCIC or with a company reinsured by FCIC under the Act has been terminated because of violation of the terms of the contract is not eligible to obtain crop insurance under the Act with FCIC or with a company reinsured by FCIC unless the person can show that the termination was improper and should not result in subsequent ineligibility.

(g) All applicants for insurance under the Act must advise the insurance provider, in writing at the time of application, of any previous applications for insurance or contracts of insurance
